Would you like an EASY, WORRY FREE PLAN FOR YOUR HEATING NEEDS???

We are offering you a way to smooth out your home fuel oil payments this upcoming season by participating in our **TEN MONTH NO INTEREST BUDGET PLAN WITH A FIVE CENT DISCOUNT FOR EVERY GALLON** of #2 fuel oil you buy.

Here is how it works:

You sign up as an automatic oil customer and provide a debit or credit card for your monthly budget payment that will be processed on the 15th of every month (if the 15th falls on a holiday or weekend, the payment is processed the following business day).

We will estimate how much home heating oil you will need next season, estimate what the cost will be, divide that cost by ten, and provide you with a statement each month with the first payment due September 15th, 2019. (Budget payments will be reviewed periodically and may be adjusted up or down based on your usage, how cold the winter is and if there is any significant increase or decrease in the cost of the fuel oil).

At the end of the budget season, ***if your payments have been made each month in a timely manner***, your account will be credited with five cents per gallon for every gallon you used during the heating season, which is considered September 1 thru June 30.

NOTE: ***Burner service charges are not included in the budget and your card will be charged separately.***

Discounts apply to #2 home heating oil only.

If you were on the budget plan last heating season, your new budget will be calculated and mailed to you in September.

If you were not on the budget plan last year and you would like to be on it this year, *please sign up before August 28* by calling us at 508-587-2139 or email us at info@ckoil.net. For security reasons, please do NOT email your credit card information to us, we will call you to obtain it over the phone and complete the account information needed to set up your budget.

We look forward to hearing from you!!
